What's your relationship with Albert?
Ah, I met him in America...
Who's Anthony?
When I first met you on the ship, I thought you were him because you resemble him.
but he's different from you. Anthony's very caring and likes to care for roses.
He saved me when I worked as a stable girl and ran away.
When I'm lonely and down, he'll always be there to cheer me up!
Fine!
I'm not that type of person!
Terry...
What kind of a man is he? ...taking care of his roses... He's a wimp, like a girl!
Terry
When Anthony died, he was there too...
Anthony...
